[ALREADY HAVE AN ACCOUNT? SIGN IN](#)

5. Next, you will see a hint that a confirmation email has been sent to the specified email address.

Verification email

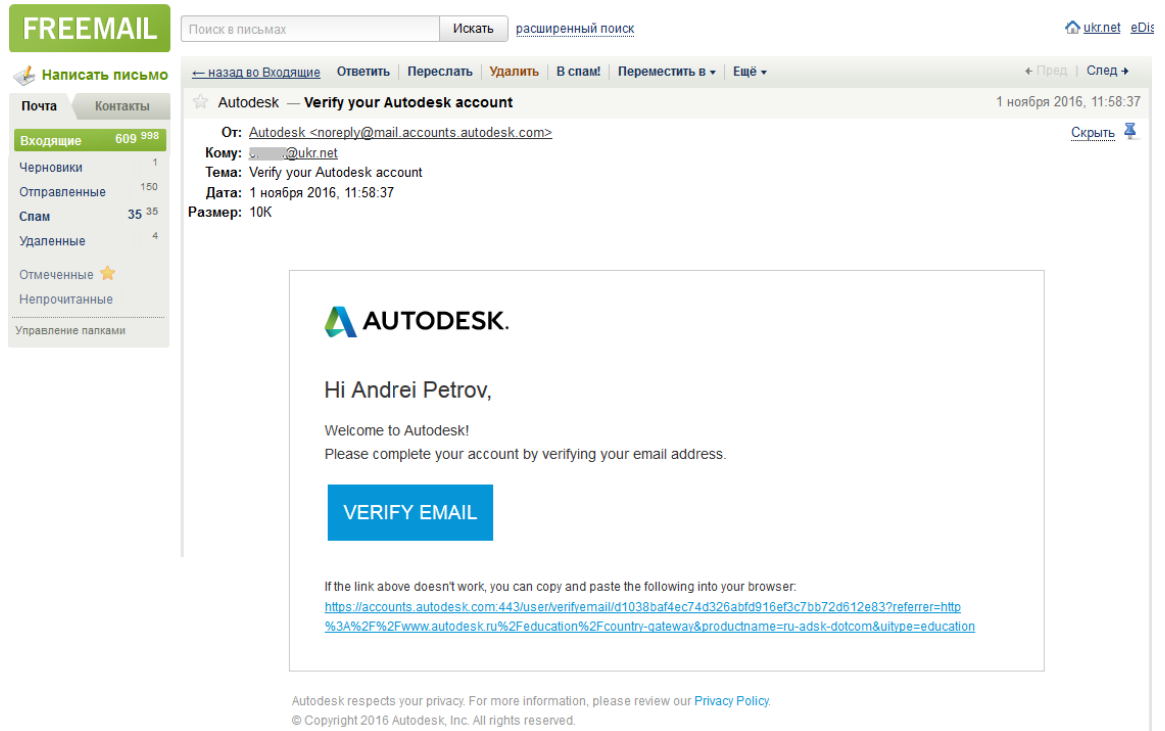

Look in your Inbox and respond to the email verification message sent to

chechec@ukr.net

RESEND

6. Now you need to go to your mailbox, open the letter received from Autodesk (if there is no letter, first of all, you need to check the Spam folder; if it is not there either, click the "RESEND" link in the previous window).

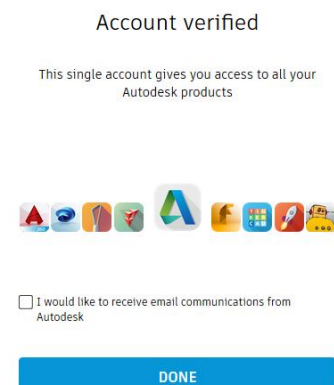

In the specified letter, you must click on the link "Verify Email "

7. If the procedure is correctly performed in the browser, you will see a message about the successful verification of the account.

If you would like to receive communications from Autodesk by email, check the box shown.

At the end click " DONE "

8. There are a few steps left. First of all, you need to add information about the university - in the line "Name of Educational Institution » start typing a name (for example , "автомоб") , then in the list that appears, select «Харківський національний автомобільно-дорожній університет».

Just one more step 

Tell us about your educational institution and how you plan to use your free software.

Name of educational institution
Kharkiv National Automobile and Highway University

Can't find your school?

- Architecture, Engineering & Construction
- Media & Entertainment
- Product Design & Manufacturing
- Others

Enrolled from

10. If everything is done correctly, you will receive a message that the account has been created.

Click on **« CONTINUE »** to continue working.

Account set

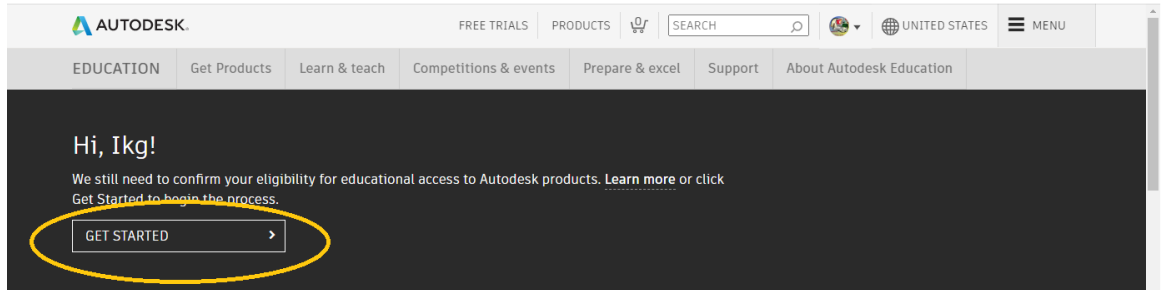

Your account is now updated to access the Autodesk education community

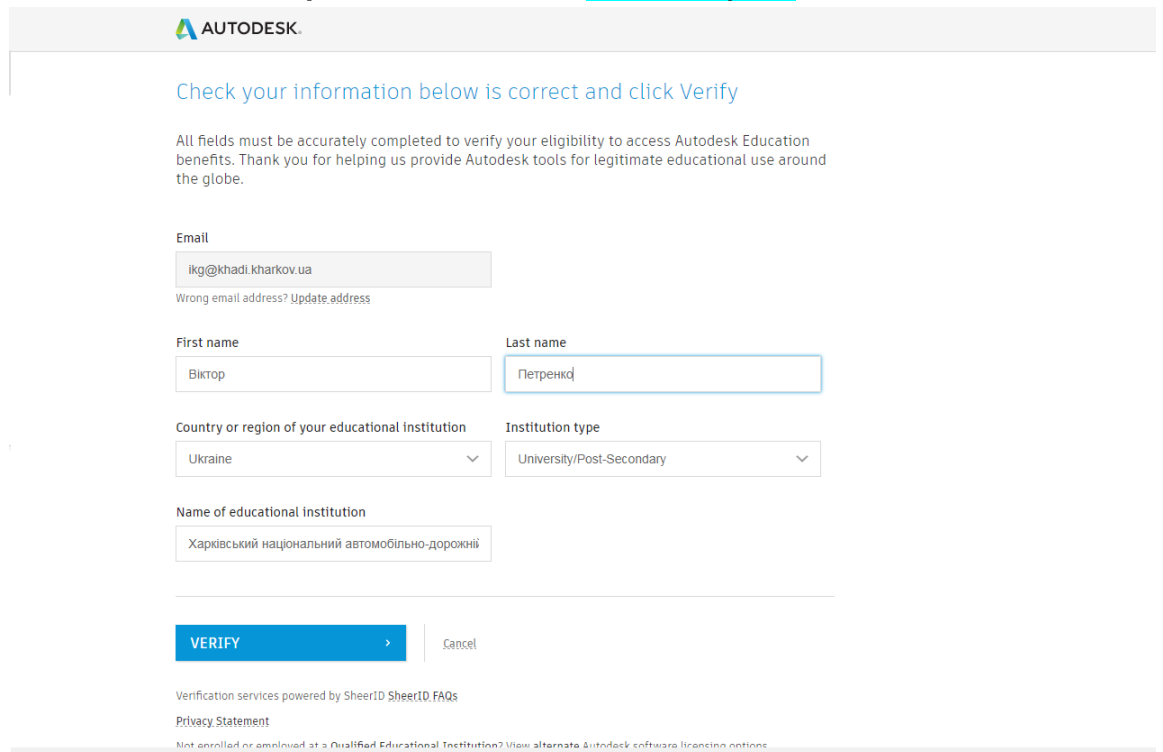

CONTINUE

11. Now you need to confirm that you are really a student of our University. Take a photo of your student card (and send the photo to your computer, for example, via your mail, cloud drive, etc.).

12. On the page that appears, click «Get started»

13. Check the previously entered data (they must match the student ID data) and click the « Verify » button

A screenshot of the Autodesk Education verification form. The header shows the Autodesk logo. The main heading is 'Check your information below is correct and click Verify'. Below this is a paragraph: 'All fields must be accurately completed to verify your eligibility to access Autodesk Education benefits. Thank you for helping us provide Autodesk tools for legitimate educational use around the globe.' The form contains several input fields: 'Email' (ikg@khadi.kharkov.ua), 'First name' (Віктор), 'Last name' (Петренко), 'Country or region of your educational institution' (Ukraine), 'Institution type' (University/Post-Secondary), and 'Name of educational institution' (Харківський національний автомобільно-дорожній). At the bottom, there is a blue 'VERIFY' button with a right-pointing arrow and a 'Cancel' button. Below the buttons, there is a footer with the text: 'Verification services powered by SheerID. SheerID FAQs', 'Privacy Statement', and 'Not enrolled or employed at a Qualified Educational Institution? View alternate Autodesk software licensing options.'

14. Next, you need to confirm your student status by having your corporate university mail and / or registering on one of the university services (for example, on [dspace.khadi.kharkov.ua](https://space.khadi.kharkov.ua));
If this is not possible, you must click on the highlighted link to send a photo of the document.

15. Drag the uploaded photo to the highlighted field with the mouse (or select "Browse", find and select the photo file); at the end, press the "Submit" button

 AUTODESK.

Additional documentation needed

Please upload a copy of documentation issued to you by your educational institution (e.g. tuition receipt or student ID, employee ID) as proof that you attend, teach or are employed at a **Qualified Educational Institution**

You have 14 days to upload your documentation

The document must include:

1. Your full legal name (Віктор Петренко)
Note: The name on the document you submit must match this.
2. The name of the educational institution at which you are enrolled or employed (Харківський національний автомобільно-дорожній університет)
Note: The school name on the document you submit must match this.
3. A date within the current school term.

Preferred documents include:

- Transcript
- School-issued confirmation letter
- A copy of your student ID (photo ID not required)

Supported file types: JPEG, PDF, PNG, GIF

 [Drag documents here, or browse](#)

NOTE: If your uploaded document is too fuzzy to read, does not show your full and legal name, or shows a name different from the one you used for this Autodesk account, you will not be able to finalize the verification process. Please do not include any confidential information in the document you upload, such as social security numbers or banking details. Please ensure any sensitive information is blacked out before you upload your document.

Examples of preferred documents

School Transcript
Transcript with full name of student, school name, and date

School-issued confirmation letter
School letterhead with full name of student or faculty member, school name, and date

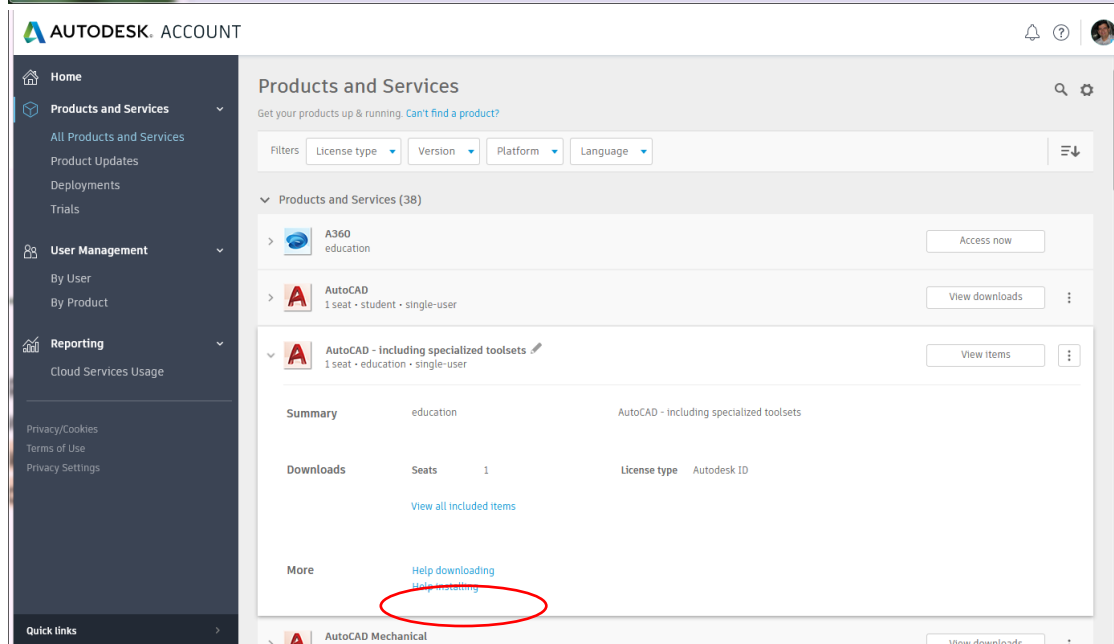

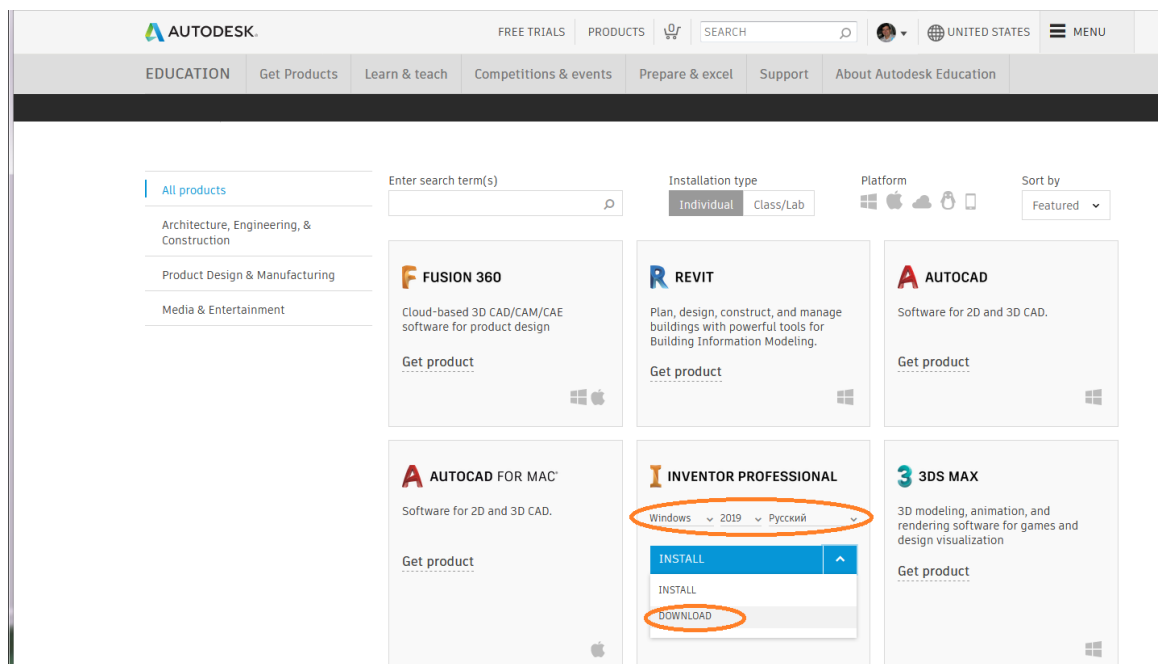

School ID
ID badge with full name of student or faculty member, school name, and date, photo not required

within 20-30 minutes (if everything is done correctly) You will receive a message about successful verification by mail.

16. You can now return to the autodesk.com/education/students for selecting a program to download and install, select an operating system, version number, and localization language. Download the selected program only in the "Download" mode !

Note that there may be multiple setup files, so the browser must allow pop-ups;
 (if you chose AutoCAD , this page can download a Win 32 version; if you need a Win 64 program (or an AutoCAD-based vertical solution), you need to go to your user account at <https://manage.autodesk.com> → All _ Products and Services » then select « AutoCAD - including specialized toolset » → View _ all included items " and find " AutoCAD Mechanical "- here you can select the desired bit depth of the system, see the following figures).

17. When installing the program for automatic license acquisition, the Internet must be available;
(You may need to update your licensing system first by installing the Autodesk Licensing Service - 11.0.0.4854 - Win - Update " via your personal account or " Autodesk PC App").
The license is issued for one year and can be renewed if you continue to study at the University.
