## TO WHOM IT MAY CONCERN

We are honored to inform you that as part of the Ukrainian national booth at Hannover Messe 2024, **Viktor Skrypnykov** presented a diagnostic bench for volumetric hydraulic drive machines, developed in co-authorship with D.B. Glushkova and V.A. Bagrov at the Department of Metal Technology and Material Science at KhNAHU under the execution of the state budget theme 7.03, which is used in the dissertation research of **Viktor Skrypnykov**.

**Date of the Event: 24 April 2024**

**Antonio Rossi**  
**Exhibition Organizing Committee**

A large, stylized handwritten signature in black ink, likely belonging to Antonio Rossi.
